## FROM THE FRONT LINES:

March 31<sup>st</sup> is the last day to register your dog in Liberty Grove without paying a late fee. If you haven't done so please bring in or mail a copy of the rabies certificate showing the date the shot was given, the manufacturer of the serum, the serial number of the serum and all the information about the dog and owner. Spayed or neutered animals are \$3, regular are \$8. A late fee of \$5 will be added as of April 1<sup>st</sup>.

**DON'T FORGET TO TURN YOUR  
CLOCKS AHEAD ONE HOUR ON  
SUNDAY, MARCH 12<sup>TH</sup>!**

## Weight limits on roads.

As of Feb. 26, 2016 weight limits have been placed on certain roads in the town. Because we didn't have a good deep freeze this year the frost in the ground as of this date is just about gone. Pavement begins to lift and buckle as the moisture from winter that is under it leaves. Heavy vehicles traveling over these roads can cause a lot of damage. If you are beginning a project that will require heavy vehicles please check the town web site for the list of roads that are restricted. The restriction will be lifted when the road crew feels it is safe to drive on again. For permission to operate heavy equipment on roads with weight limits on them call Jay Olson at 920-421-1971.

## ANNUAL MEETING ON APRIL 19<sup>TH</sup>

Don't forget to mark your calendar for the annual meeting on Tuesday, April 19<sup>th</sup> at 7:00pm. Schenk and Assoc. will present the Annual Report. We will also have speakers from the Door County Humane Society and Door Tran to explain the service they provide to everyone in the county. This is the meeting of the qualified electors. To see what actions are allowed at the annual meetings go to <https://docs.legis.wisconsin.gov/statutes/statutes/60/III/11>. Also see 60.10 for the list of actions of a town meeting.

**CHAIRMAN'S NOTES**

The Board decided not to proceed with a "wave study" at the Ellison Bay Marina. Major maintenance repairs need to be made at the marina in addition to storm water pipe replacement under Cedar Shore Road. Consideration was given to study the wave action with the possibility of building a break wall to protect the marina. The cost of the study in addition to the possibility of not receiving DNR or Fish & Wildlife approval for the construction of the wall were major considerations. The study was not included in the current budget. Baudhuin Engineering will proceed with developing plans for the maintenance project based on not having a break wall.

The April 19th Annual Town Meeting will have presentations from Door Tran and the Door County Humane Society on the services they provide to county residents. The Board will be seeking elector input on the Ellison Bay Community Center" Women's Club". Supervisor Gary Farber will provide information on the major problems facing the current building including projected costs. The Board has been considering the option of replacing the existing structure due to the condition of the current building and related maintenance costs.

**THINK SPRING!**

**TOWN ADOPTS TOWER SIGHTING  
ORDINANCE**

At the Board meeting on March 2<sup>nd</sup> the Town Board adopted Ord. 2-16, Town Tower Sighting Ordinance. Because of the restrictions of the County tower ordinance the Board felt it was in the best interest of the Town to adopt its own. Ord. 2-16 allows the rules of the State Statute to control tower sightings which is less restrictive than the County ordinance. To read Ord. 2-16 look on the town web site and choose the ordinance tab on the left side of the home page. With the adoption of this ordinance hopefully we can work towards better internet service in the Town of Liberty Grove.
