## FROM YOUR TOWN CHAIRMAN

As property tax bills arrive, it is important to understand that bill is composed of several taxing units. Of course, the revenue from the taxes provides many of the services we expect and are happy to receive would not be available. The December issue of the Wisconsin Towns Association had this observation in one of the articles:

" If the state continues to limit other sources of new revenue for local governments in Wisconsin, they may increasingly turn to vehicle registrations fees to help cover the growth in their ongoing costs. Currently, state law provides local governments with few options in how you impose and administer those fees." That conclusion was reached after a study by the Wisconsin Policy Forum on Wheel Taxes in Wisconsin. According to the article wheel taxes are one of the few local revenues that local officials can raise at their discretion. Fortunately, towns have been very slow in adopting wheel taxes. To my knowledge Liberty Grove has not discussed or considered a wheel tax and I certainly am not suggesting we do.

The Technology Committee heard an interesting, informative, and encouraging presentation by Kurt Kiefer of Baileys Harbor. He is heading up the initiative in the Town of Baileys Harbor to provide broadband access town wide. Liberty Grove has also begun the effort to bring broadband service in a limited area near Northport. This is in conjunction with Nsight, the parent company of Cellcom, to utilize accessing the broadband cable going to Washington Island. The Island has started the project of providing broadband Island wide. As mentioned previously the project at Northport would serve about 60-70 properties but is viewed as a pilot that could be the first step to covering all of Liberty Grove. Mr. Kiefer has been invited to address the Town Board, along with members of the Tech Committee, to update us on the Baileys Harbor project and the possibility of Liberty Grove becoming a part of a joint effort in northern Door County.

On behalf of the board, administration, committees, and town crew we wish you a Merry Christmas and Happy New Year.

### Shop Local for the Holidays

As we approach the holidays, this might be a good time to remind everyone that shopping locally is the best. It helps to keep people employed and shops open longer than the tourist season. You can find shops located in Liberty Grove by going to our web site, [www.libertygrove.org](http://www.libertygrove.org) and look under the business tab. If you know of a business in Liberty Grove that isn't listed on the web, contact Stacy Bell at 920-854-2934 and she can get that business into the directory. Shopping locally saves time and gas and is safer when the snow is falling. Shop local this year.

## Help the Salvation Army help your neighbors!

This year the Salvation Army Christmas kettle campaign in Northern Door County has a special need for volunteer bell ringers. Funds raised through donations at the red kettles are used to serve people with assistance that includes putting food on the table, paying bills, providing shelter, and helping place gifts under the tree. All money collected stays in Door County to fund local Salvation Army projects.

We need more volunteer bell ringers to step up. Help is needed for locations in Sister Bay (Piggly Wiggly, Al Johnson's Restaurant), Ellison Bay (Pioneer Store), and Baileys Harbor (Baileys 57 BP Station).

You can help by ringing a two-hour shift on a Friday or Saturday from November 26 – December 18. Times are 10am–12pm, 12-2pm, or 2pm–4 pm (At Al Johnson's we will ring from 9 to 3).

Please sign up at [RegisterToRing.com](http://RegisterToRing.com) or call Mary Rosecky at 854-5480 to volunteer for an open slot.

**Covid Booster Information:** For those who received Johnson & Johnson COVID-19 vaccine, are age 18 and older, a booster dose is recommended no sooner than 2 full months after receiving the first dose.

For those who received Moderna or Pfizer COVID-19 vaccine, it is recommended that the following populations receive a booster dose of Moderna or Pfizer no sooner than 6 months after receiving their second dose of Moderna or Pfizer in order to further strengthen their immunity:

- Everyone 18 years and older is eligible for the booster dose.

**To further explain the 6-month timing, if you received your second dose of Pfizer or Moderna on May 14, for example, you are not eligible to receive your booster until on or after November 14.**

Additionally, eligible individuals may choose which vaccine they receive as a booster dose. Some people may have a preference for the vaccine type that they originally received, and others may prefer to get a different booster. CDC's recommendations now allow for this type of mix and match dosing for booster shots. Door County Public Health has Pfizer and J&J brands of COVID-19 vaccine.

**We do not have the Moderna vaccine; some of the other COVID vaccinators in the community are able to provide Moderna. Currently, the Pfizer booster authorization only applies to people whose primary series was Pfizer vaccine. Please bring your vaccine card with you when you come to your appointment.**
