## FROM YOUR TOWN CHAIRMAN

On behalf of the Town Board and administration I would like to thank Paul Schwengel for his service to our community. His input, research and comments were always well thought out and very appreciated. Paul has decided to retire from the Board and the committees he serves on. Thank you, Paul.

The Annual Town Meeting will be held on April 19<sup>th</sup> at the Town Hall starting at 7:00 PM. Committee chairs will have brief updates on their projects, a report from the Town's accounting firm and a special presentation from Bob Webb of Nsight. He is V.P. of IT Services and Innovative Technical Operations. His report will be on the partnership with Liberty Grove to provide Town-wide fiber optic broadband. He will also answer questions from those in attendance.

The Economic Development Committee will hear a presentation from Mariah Goode of the Door County Housing Partnership at their meeting on April 12<sup>th</sup>. The meeting begins at 6:00 PM in the Town Hall.

The Board has approved a reduction in the cost of signs and installation on the stairs at Porte des Morts Park.

GFL Environmental presented a cost estimate for Town-wide waste and recycling pickup. It was determined that the estimated cost exceeded what the Town had encumbered to invest in the project.

Currently all committee and Board meetings are being held in person at the Town Hall. Meetings are open to the public with agendas posted on the Town Website. The Town Office is also open to the public.
